You can pay the \$25 nonrefundable application fee online after completing the application. If you do not pay online at this time mail a check/money order for \$25 to the Office of Admissions, Tennessee Technological University, P.O. Box 5006; Cookeville, Tennessee 38505. The application deadline for receipt of the admission application, application fee, test scores (ACT/SAT) and official transcripts is August 1 for fall entry, December 1 for spring entry and May 1 for summer entry. Admission decisions are not made unless all items have been received.
2. Request official transcripts from all institutions previously attended and a partial transcript if presently enrolled in another institution. Request the final transcript when grades have posted for the term. Transcripts of all work attempted at the college level is required.
3. The official grade point average will be computed on hours and grades earned at all previous colleges or universities. Credit is transferred with the grade earned in the course. For example, an "A" is transferred as an "A," and an "F" is transferred as an "F." We are not on the +/- system. Effective summer 2015, changes will be made for awarding transfer credit.
4. Students who have NOT earned a bachelor's degree should submit a high school transcript or GED scores. Students who have not successfully completed college level math or English courses must follow COMPASS testing guidelines. Students under the age of 21 who have completed fewer than 24 semester hours must also submit ACT scores.
5. All non-commuting single freshmen and sophomores must live in university housing.
6. The applicant will be notified of the admission status after all credentials have been received and evaluated. Tentative admission may be granted on the basis of partial transcripts if the quality of work is clearly acceptable. Final admission is granted only after all official transcripts and credentials are received. Admission decisions will be mailed to the address provided by the student.
