This Addendum forms a part of the RFQ documents and modifies/supplements the original RFQ Documents issued September 18, 2023.

This Addendum consists of 1 page.

The following paragraph on page 3 of the RFQ is deleted:

The site is adjacent to and immediately west of the site for the Engineering Building. A concept site plan is posted along with the RFQ on the website. This RFQ is for Phase 1 only.

And is replaced with:

The site is adjacent to and immediately west of the site for the Engineering Building. A concept site plan is posted along with the RFQ on the website. The concept site plan shows Phase 1 located to the south; however, it is desired that Phase 1 front University Drive and Willow Avenue on the north side of the site. This RFQ is for Phase 1 only. Phase 1 includes one residence hall building and the Innovation Center building. At the discretion of the State Building Commission, Phase 2 may be released for designer selection as a separate project or may be continued utilizing the selected design team from Phase 1.
