

# EMPLOYER and RECRUITING GUIDE

DERRYBERRY HALL

# What We Can Do for You

**We're** ready to connect your company with our campus through customized recruitment. Our staff works with employers and organizations to engage with students through various opportunities on campus, virtually, or on site. Please contact us so we can learn more about these types of opportunities to connect.

## Campus Recruitment & Job Postings

Participate in job fairs and interview students and alumni. Post your full-time and part-time job, internship, or cooperative education opportunities with our recruiting platform  **handshake**.

## Careers 'n Coffee

Informally connect with students on campus to share employment and career opportunities.

## Employer in Residence

Have a presence in our residence halls to share and promote opportunities for employment, internships, or cooperative education opportunities.

## Careers in the Classroom

Engage students on campus or virtually in their classrooms. We work with faculty and employers in all disciplines and encourage industry experts to connect course content with real world scenarios and experience.

## Career Readiness Workshops & Educational Sessions

Contribute to themed sessions centered on one of our 10 Career Competency-related topics.

## Internship & Cooperative Education Programs

Set up work experiences for students while they pursue their degree. Student internships may help you fill workplace gaps and bring fresh ideas and perspectives while students earn valuable workplace skills and experiences.

## How To Get Started

**Visit** our employer website [tntech.edu/career/employers](https://tntech.edu/career/employers) and set up your account on **Handshake**. Search resumes, post jobs, register for job fairs, and explore additional ways to connect with Tennessee Tech students.

**As** Tennessee's technological university, we create, advance, and apply knowledge to expand opportunity and economic competitiveness. As a STEM-infused, comprehensive institution, Tennessee Tech delivers enduring education, impactful research, and collaborative service. We offer over 200 academic programs varying from agriculture, human ecology, arts & sciences, business, education, engineering, fine arts, interdisciplinary studies, and nursing. Some of our top programs include mechanical engineering, computer science, business management, accounting, nursing, civil and environmental engineering, and elementary education.

**To** learn more about how we can connect your company with our campus, students, and faculty, see our contact information below.
