

Freshman-Friendly Career Fair Tips

DO	DON'T
Dress Business Casual (dress pants, khakis, polo shirts, skirts)	Wear T-shirts, cutoffs, or your favorite torn-up jeans
ONLY ask Career Center staff to take a picture or sign a paper	Ask employers for signatures or flash a camera in their face
Look at the tables and take brochures	Grab all of the free stuff – <i>ask first!</i>
Seek info about future co-op/internships	Say you are only there for class credit

THIS IS NOT A SCAVENGER HUNT

You'll see students wearing business suits and providing their resumes.

Students are **hired** from their interaction at career fairs.

Model your behavior after these students and when it is time for you to seek your first co-op/intern or job opportunity, this is a great resource for ***you!***
