

THE CITL REPORT

APR
2024

931-372-3675 | citl@tntech.edu | tntech.edu/citl

We greatly appreciate your participation as we prepare for our upcoming summer intensive, which will delve into various topics related to Artificial Intelligence (AI) in education. Your insights and feedback are invaluable in shaping the content and structure of our program. Kindly take a few moments to answer the questions below to assist us in tailoring our curriculum to meet your needs and interests. Thank you for your collaboration in advancing the dialogue on AI's role in education.

SGIDs

The CITL conducted 21 SGID sessions, utilizing small group discussions among students to offer confidential feedback to instructors, aiding evaluation midway through the term. SGIDS are conducted during the fall and spring semester.

Tech Tuesdays 11 AM | Microsoft Teams

April 9: Gamification

Discover the transformative and engaging potential of gamification in higher education at our CITL Tuesday session.

April 16: Campus Pulse + Course Design

Are you utilizing our students' most requested tools & techniques? Join us as we share results from Spring 2023's Small Group Instructional Diagnostics (SGIDs).

April 23: iLearn Course Semester Wrap-Up

In this session, we will review a checklist of items to complete to help you close out your current course and prepare for the next semester.
