Waiting List Policy

Openings at the Child Development Lab (CDL) are filled based on availability, according to appropriate adult/child ratios, and upcoming classroom transitions. While applications are considered on a first-come-first-served basis, families who have older children currently enrolled at the CDL will be granted priority status when considering applications.

Applications are kept on file for the **calendar** year. It is your responsibility to renew your application by resubmitting an updated application no later than **January 31st** each year. Renewing your application by the annual January 31st deadline will ensure your application remains on the waiting list.

Any applications not renewed by January 31st will be removed from the waiting list.
