Upcoming Praxis Deadlines!

As we quickly approach Praxis deadlines to enter into residency, please remember to utilize all of your resources to prepare for your exam(s)! The OTE Test Prep course has MANY valuable resources to help you succeed on passing your Praxis exam(s)! You can access this resource through your iLearn via TechExpress. If you have any questions or are looking for recommendations on a resource, please contact Elora Davis at eldavis@tntech.edu.

Interactive Practice Tests!

OTE offers Praxis® Interactive Practice Tests (IPTs) from ETS. These are full-length practice tests that allow you to answer one set of test questions to simulate what you will experience on the actual day of the test. You can practice using authentic test questions and, after completing the practice test, view your results by content category along with the correct answers and explanations for each correct answer.

Interactive practice tests are **FREE**! We can accommodate individuals and groups! Interactive practice tests are completed virtually and take anywhere from 2 hours to 3.5 hours. Availability can be limited. Please email Elora Davis at eldavis@tntech.edu to schedule a practice test or with any questions!
