

# TENNESSEE TECH MIDDLE SCHOOL SCIENCE ENDORSEMENT

Additional Endorsement Opportunities—Special Announcement

## TTU is offering a Middle School Science course sequence online:

### COURSES:

ASTR 1010 (3)  
Intro to Modern Astronomy

BIOL 3120 (3)  
General Ecology

CUED 4400 or 5500 (3)  
Teaching Methods of Phys Science

SEED 4123 or 5123 (3)  
Materials & Methods  
of Teaching Science

.....  
Candidates must also successfully complete the required state licensure specialty tests for the Middle Grades 6-8 science endorsement area:

- 5440 Middle School (min. score of 150 required)

**To be eligible for the add-on endorsement, candidates must have a valid Tennessee teaching license.**

Candidates holding an endorsement in Elementary K-5 (120 or equivalent) may only need the four courses listed, while other initially endorsed candidates may need other courses/tests in addition to the two offered.

All candidates must submit a transcript analysis request form to TTU Office of Teacher Education to initiate the process:

[tntech.edu/education/teachered/](http://tntech.edu/education/teachered/)

The TN Dept of Education requires test scores to be no older than five years for license application.
