

ZERO CREDIT ENSEMBLE POLICY

All University students are encouraged to enroll in music ensembles (bands, choirs, orchestras, chamber music, etc.).

- To encourage enrollment, all departmental ensemble classes are offered in double sections:
 - a 1-credit section and a 0-credit section
- Enrollment in an ensemble for zero credit is subject to the following conditions:
 - All enrollees will be graded, with the grade appearing on the transcript as usual.
- Only **full-time students**, as defined by the University, are eligible for zero-credit sections.
- Music majors must register for credit for all ensembles that are required under their curricular concentration and option.
 - After that requirement is met, any student can be accepted into any ensemble for zero credit by permission of the instructor.
