Content Description

These are materials acquired initially by Christine Jones during her course of work as a genealogist in Tennessee Tech archives. They include copies and originals of materials dealing with counties, notable families, and a variety of historical topics dealing with the Upper Cumberland. Subject files continue to be added from ongoing acquisitions. This collection also includes numerous scrapbooks from Thomas Jefferson Barnes relating to his family genealogy and dating from 1883-1986.

Black Student and Employee Experience at Tennessee Tech
University, 1965-2021

Digital Object: [Black Student and Employee Experience at
Tennessee Tech folder: 1965-2021](#)

Language of the Material: English.

Description

Digitized clippings from the Oracle student newspaper, Eagle yearbook, Tech Times, and enrollment statistics that document the experiences of Black students and employees at Tennessee Tech University. Hannah O'Daniel McCallon gathered the materials for exhibit research for the Black Cultural Center's 30th anniversary in 2020-2021. Content warning: some of the materials created from the perspective of white students and

employees contain anti-Black racist, xenophobic, and sexist language or imagery.

The materials are available online here: https://tntech.access.preservica.com/uncategorized/SO_afdb53cd-85c3-4b8d-a859-dd2e08e49113/
