I, _____, on behalf of _____, affirm that I have received and read TTU Policy 120 (Minors on Campus), have instituted substantially similar requirements and procedures for the supervision, oversight, and protection of minors. I also affirm that Authorized Adults, as defined by TTU Policy 120, have been subject to appropriate background checks, have been trained on reporting suspected incidents of abuse, have been provided rules related to conduct and contact with minors, and will provide appropriate levels of supervision at all times.

I understand that any material misrepresentation related to the compliance with TTU Policy 120 could result in the cancellation of any contract with TTU related to the use of its facilities and may prohibit me or my organization from using Tennessee Tech's facilities in the future.
