Catalog Year CHANGES

When do catalog years change? When the major or concentration changes, the catalog year also changes. When students are adding a minor, their catalog for their major stays the same.

Letter of Good Standing

Students occasionally need a letter of good standing for insurance purposes or to take a class at another institution over the summer. This form allows students to make that request!

Nancy
Greene

After 29 years of service, Nancy will be starting a new chapter outside of TTU! We thank Nancy for her many years of service and friendship, and wish her all the best on her new adventure. Nancy, you will greatly missed!

Cheryl
Corder

Cheryl Corder will soon be serving the Registrar's Office in a different capacity by stepping into a new position with Athletics as Nancy transitions into retirement. We congratulate Cheryl on this advancement!

Cat
Warren

Cat has been assisting students and campus members alike at our front desk, but has recently accepted the open position of Administrative Associate within the Registrar's Office. Welcome to the team, Cat!
