Approval & Certification

It is imperative that information provided on effort certification forms is true and accurate. False claims as governed by the Federal False Claims Act (Title 31 of the U.S. Code, Subtitle III, Chapter 37, Subchapter III, §3729-3733) and the Tennessee False Claims Act (T.C.A. §4-18-103) can result in severe civil and criminal penalties.

I certify that the above figures with any necessary adjustments reflected in the Actual % of Effort column represent a reasonable estimate of effort on the noted activities during this period.
