

**An Act to Add More Locations that Display Student Artwork on Campus**

**Whereas,** there should be significantly more locations for students of the School of Art Craft and Design to proudly display their work, **and,**

**Whereas,** there are currently only three locations that display student work, these being: the Bryan Fine Arts Building, The Appalachian Center for Craft, and thesis work shown at the Joan Derryberry Art Gallery, **and,**

**Whereas,** Very few students actually utilize any of the locations mentioned and therefore have never had the opportunity to see what Tennessee Tech art students can produce,

**NOW THEREFORE,**

**BE IT ENACTED BY THE STUDENT GOVERNMENT ASSOCIATION OF TENNESSEE TECHNOLOGICAL UNIVERSITY THAT**

**Section 1:** This bill shall be known as the "Expanded Student Gallery Act of 2020."

**Section 2:** One or more location(s) on Tennessee Tech's campus will be repurposed as spaces to display artwork made by students of the School of Art, Craft and Design.

**Section 3:** Each determined space will have a rotating schedule that requires each instructor to display works produced in their specific classes at specific times.

**Section 4:** The artworks displayed will be chosen by the professor(s) of their respective classes with intentions of showing as much diversity as possible (both in the artists themselves and quality/skill levels).
